

# Moments of Grace

## A 2020 Devotional Planner

### Book Description

**Moments of Grace – A 2020 Devotional Planner** is an annual planner that features a monthly devotional reading, a monthly calendar, a themed weekly scripture and prayer, a weekly scheduler, and a place to journal through the week. As we move forward into 2020, let us all savor each moment of grace and each new mercy that God has prepared for us – **Moment by Moment**.

### Frequently Asked Questions

**1. Why did you want to write a devotional planner?**

*I love calendars. I also like to read and write in devotionals. And, I like to journal my thoughts about what fills my spirit. Initially, I thought to combine the ideas into a wall calendar. But the more I planned and prayed, God manifested this devotional/planner/journal and I am amazed – yet again – at what He does. His purpose for his timing.*

**2. What is your favorite month in the devotional planner?**

*I would love to say my birthday month. But my favorite month is February. February's devotional reminds us that we are created in God's own image. God is perfection; therefore, we are not what "they" say we are. Yes and Amen.*

**3. Do you have other books?**

*I have one other published book, Why Should I Be Bound? Musings on a Journey with God, which is a 30-day devotional created to remind us that with God's promises, we do not have to be bound by life's distractions. I also publish a daily prayer with scripture on my website – Another Day's Journey.*

### Vernet Clemons Nettles, EdD

is a parent, educator, and poet. Currently, she resides in Montgomery, AL. She has served in various capacities of church service, including as a Youth Department advisor, a Sunday school and Bible Study teacher, and in Cristian Education. Since 2014 she has shared daily original prayers on her website *Another Day's Journey* - [www.vcndailypray.com](http://www.vcndailypray.com). The scriptures and prayers focus on spiritual growth and connecting with God.

Professionally, Dr. Nettles works in the Montgomery Public Schools System and as an adjunct English Instructor for a local university. Having worked in education since 1990, she has focused most of her career on facilitating services for students considered underserved and less likely to succeed.
